## INTERNATIONAL STUDENTS' UNION

- ISU-Narvik appeared on stage with a dance on The Independence Day (17th May 2005);

- We took part at the opening ceremony of Rallarsjakkturnering 2005 (one of the largest chess tournament in north Norway) with a cultural contribution. Because of this event, ISU Narvik was invited to take part in the opening of Rallarsjakken next years;

- The cleaning of Soviet Union's memorial to Victims of the Second World War was arranged in July;

- Russian language course was successfully completed in co-operation with ISU-Narvik.
