*“- Education is a right, not a privilege!”*

The National Union of  
Students in Norway  
Founded 1936

## Brief history

Founded in 1936 from different local student organisations in Oslo, Trondheim, Ås and Bergen.

The NUS-Norway was established to represent students on the national and international level to fight for education for all and open universities.

NUS-Norway has been a broad movement and has been described as one of the most important organisation who contributed to the establishment of the Norwegian state educational loan fund
