B) Summary of Activities during the summer 2008

New board was elected and formed on 27th of September 2008. We tried to offer as many different activities as possible to our students, something we missed in the period before, and organized International Cultural evenings, mountain trips, movie nights, one International Party, trip to Lofoten. Cooperation with “Fadderordninga”, Student Parliament, Studentsamskipnaden and the schools’ administration.

C) General Assemblies

Had one General Assembly 27.09.2008. Have elected a lot of new members. It was presented about 40 persons, had small (30 minutes) concert after the formal part and pizza. Big interest for the organization. Was some role-play games on GA. Everybody were satisfied.

We have at least two meetings of the board every week. One on Skype and one at school.

D) Social Activities

International Party – success, found another place to organize. Next party 1 November- Karaoke party with concert.

International Cultural Week – great success, just positive replies, start before with organizing- shall start with “Food days” of different countries

Language Courses – success in the beginning, number of students went down rapidly, have to plan better

Radio program- every Sunday we have program on the Narvik student radio that calls “Foreignness rock today”. Discuss a lot of interesting international stuff and listening international music. 25 October will be live concert with participants from different countries.

Jobcourse – success, but need more advertisement!

Movie nights – no success, few meet up, more advertisement.

Organizing trip to Lofoten

GENERAL EVALUATION: good planning and amazing feedback. Good teamwork and a lot of creativity.

E) Cases, Campaigns and Student Politics

Price for renting of students flats– shall be discussed when putting price for the next year.

Cooperation with schools’ administration for better “New in school” information.

Pushing the school, in cooperation with Students’ Parliament to update information in English.

F) Comments, Evaluation and Future Improvements

To the presidents:

For new elected board:

- Team building games
- Activities together
- Every meeting ice breaking activities
- Motivate members with some advantages(for eks. Free membership in sports club and free different courses)

For any activity supposed to be organized:

- EARLY PLANING, AS EARLY AS POSSIBLE
- INCLUDE MORE PEOPLE – TO HEADS ARE SMARTER THEN ONE
- MOTIVATE PEOPLE
- ADVERTISE GOOD – MAKE STANDS(best advertizing is to say personally and website)!

If activity requires a lot of work:

- DIVIDE PEOPLE IN GROUPS
- GROUP RESPONSIBLE FOR A CERTAIN THING
- YOU HELP, LEAD AND MOTIVATE
- CELEBRATE SUCCESS!

DO NOT:

- TRY TO DO ALL BY YOURSELF, IT'S NOT POSSIBLE!!!

Remember – you are the leader, the motivator, the one that leads people to perform their best!
