B) Summary of Activities during Academic Year 2009

The fall semester began with Welcome Week in which the international students took part in activities on a daily basis, such as a pub crawl, concert, Taste of Norway dinner, Bergen in a Nutshell tour and an NHH race. Following Welcome Week, we organized drinks at the sea, a company visit, a fishing trip, a Baltic international dinner and a team-building day with UiB.

C) General Assemblies

Our election took place on September 22nd at which the turnout was 40 people. Five new Council members were elected.

D) Social Activities

In particular, the Baltic dinner was very successful due to numerous cooks that were eager to help out. A slide-show with information on the countries was also presented. Our fishing trips have become a tradition, where we rent small motor boats that fit in six people each. We also rent fishing rods and if we are lucky enough to catch anything we are set for dinner too!

E) Cases, Campaigns and Student Politics

There are no campaigns we are currently working on, though we have a general aim to improve courses where possible.

F) Comments, Evaluation and Future Improvements

The new semester has come to a great start and the new Council is eager to continue with improvements. As always, one of our aims is to integrate more Norwegian students in our events. We also aim to create a list of companies in Norway that are willing to take on international interns and graduates.

G) Budget

For most of our events we ask students to make a contribution to value the event and their attendance, however, all events are subsidised.

Last year, we got:

- 4'000 NOK for the Christmas Dinner
 - 2'000 NOK for Board Games
 - 5'000 NOK for the International Dinners
 - 7'147 NOK for the ISU president meeting at NHH
 - 18'000 NOK from the MiB Coordinator
 - 9'000 NOK from the ENE Coordinator
 - 3'750 NOK Welfare money for the Fall Semester
 - 3'750 NOK Welfare money for the Spring Semester
- > total of 52'647 NOK

We don't have the numbers for this semester as the funding allocation decision has not been taken yet.
