Name	Position
Andrew Larsen	President
Wilson Asiimwe	Vice-President
Sarah Smits	Secretary (resigned)
Karolin Spindler	Treasurer
Peter Selby	Public Relations Officer
Colomban MacDowell	Social Committee Officer

B) Summary of Activities during Academic Year 2009

We are all new in our positions and had considerable difficulty learning our proper roles and responsibilities which resulted in tension in the group leading to the resignation of our secretary. Our activities have been mostly successful though our planning and strategy has been from a reactive rather than active stance.

C) General Assemblies

One GA meeting (August), approximately 100 attendees, with attendance by NSU, outcomes were the election of the new board.

D) Social Activities

The International Food Festival was successful with many attendees and chefs though we had one complaint that it was boring and ill-planned.

E) Cases, Campaigns and Student Politics

No cases were tackled since August.

F) Comments, Evaluation and Future Improvements

Our team has had difficulties. I am mainly just trying to keep things together at this point. Most would say they have not enjoyed the experience so far, I am sorry to say.

G) Budget

Our budget is relatively healthy at the moment and we are careful to keep it that way.

F) Other issues

No other issues.
