

ISU University College in Narvik Report

Here is a list of things that we have managed to accomplish (or are in process) so far:

- Creation of local branch of ISU at Narvik
- Elections of members for local branch
- Russian week at Narvik University College (Cultural exchange)

We will have a little presentation about that at NA

- Establish contact with local newspapers and college newspaper (already 2 articles available)

- Constitution Adaptation (we will be ready in the middle of march)

- Homepage (will be ready as well in the middle of march) Will present at NA as well

- Contact establishment with local student organizations (SPiN)

Future plans for now:

- ISU introduction in Russia and China Booklets, presentation

- Establish permanent connection with University in Russia/China

- Establish contact with local organizations for different purposes (sport activities etc.)
